Fergusson College admissions for M.Sc.(C.S.), MCA (Science faculty) and M.Tech. Industrial Mathematics with Computer Applications is based on a Common Entrance Test. The test is conducted in the last week of April or first week of May. The forms are available one month before the test. The information regarding the exact dates will be available on our website by first week of March.

**Details of Common Entrance Test:**
- The Common Entrance Test for M.Tech. and M.C.A. will be based on General Aptitude and Mathematics of 10+2 level.
- The Common Entrance Test for M.Sc. (Computer Science) will be based on General Aptitude and Computer Science (C, C++, Data Structures and Operating System concepts).
- The marking scheme for the test is +2 marks for each correct answer and –1 mark for each wrong answer.
- Admission to the courses M.Tech. and M.C.A. are purely based on the merit in the Entrance Examination only.
- Admission to the course M.Sc. (Computer Science) is based on the marks scored in the entrance test and the marks scored in computer science of S.Y and T.Y in the University examination. This is applicable to the students completing B.Sc. (CS) from Pune University.
- Admission to the course M.Sc. (Computer Science), for students from other University is purely based on the merit in Entrance Examination only.

**Schedule of Admission Procedure:**
- The details of the admission schedule will be put up on the notice board with the result of entrance examination.

**Eligibility conditions for the three courses**

**M.Sc. (Computer Science) College**
(a) Bachelor of Computer Science (BCS) with 50% marks and 45% marks for Reserved category.
(b) B.Sc. (Computer Science) with 50% marks.
(c) A Bachelor of Engineering in Computer Science/ Information technology /Electronic Telecommunication with 50% marks.

**Master of Computer Application (Colleges)**
(a) Bachelor Degree in Science faculty with 50% marks for Open category and 45% marks for reserved category.
(b) B.C.A. with 50% marks.
(c) Having Mathematics at 10+2 level with 45% desirable.
(d) Students who have completed B.Sc.(Computer Science)/ B.Sc. (IT) be given admission to second year M.C.A. (Science).

**M.Sc. (Tech.) (Industrial Mathematics with Computer applications)**
BA /Bachelor of Science with Mathematics at least upto 2nd year level OR B.E./B.Tech./B.Sc. (Engineering)
