6.2 BSR Fellowship (meritorious Fellowships) for Ph. D Students: **Not Applicable**

7.0 Give your impression on facilitating / hindering aspects of the BSR-Schemes for Implementation.

- The BSR Scheme has helped Fergusson College to improve the basic infrastructure in Science Laboratories.

8.0 What are the academic benefits resulted to University/College out of the BSR – Schemes.

- Fergusson College recently completed 128 years of its existence and successful track record in imparting quality higher education.
- The physical infrastructure of the college was very old although advanced equipments have been added in the recent years.
- Through BSR Scheme, it was possible to enhance and improve the existing infrastructure in terms of furniture and power supply.
- These facilities have benefitted our student community who can make use of this infrastructure consistently.

9.0 Any other remarks/ Suggestions:

- Please provide additional assistance for procuring high end research instruments for physical, chemical, earth and life sciences.

I hereby state that the details provided above are factual and as available in the records of the College received from the beneficiaries/ Departments of the College.

Station: Pune, Maharashtra
