## *Frontiers In Astronomy*

(National Students' Seminar)

FRONTIERS IN PHYSICS is an annual National Seminar organized by the students of Fergusson College, for the students interested in exploring the areas of core sciences specifically physics, apart from their regular coursework. The three day seminar will be graced by speakers from various national & international institutes like IUCAA, NCRA, IISER, TIFR, IITs, SPPU, etc. This year, all the eminent scientists will embark on a journey covering various fields of ASTRONOMY & ASTROPHYSICS and also how astronomy has a deep involvement with other branches of basic sciences as well.
