Procedure for admission to 
M.Sc. (Computer Science) Part I

Admission

Admissions to M.Sc. (Computer Science) for the students who have completed B.Sc. (Computer Science) of University of Pune are based on marks scored in Entrance Test and Marks scored in the Subject Computer Science at SY/TY (out of 1200). All students, who have appeared for Entrance Examination and are desirous to take admission to M.Sc. (Computer Science), should enter the marks scored in Computer Science (out of 1200) in their login after declaration of T.Y. B.Sc. (C.S.) result within three days. The link for entering the marks will be same as before used for filling up the application form of Entrance examination.

Method of Calculation for Merit List of
M.Sc. (Computer Science)

- For the students from University of Pune, the admissions to M.Sc. (Computer Science) will be based on Entrance marks secured out of 100 (A+C as stated below) and marks secured in University examination in Principal Subject Computer Science (S.Y. + T.Y. out of 1200)
- The total marks secured in Entrance Examination out of 100 will be calculated as follows:
  1. Marks scored in Section – I out of 50 (say A)
  2. Marks scored in Section – III out of 50 (say C).

Thus marks out of 100 will be A+C.

For the students from University of Pune the merit will be on marks scored out of 100 calculated as follows:

Marks scored in Entrance Examination out of 100 converted to marks scored in Entrance Examination of 50 i.e. (A+C)/2.

Marks scored in University Examination in Principal Subject out of 1200 (say D) converted to marks scored in University Examination in Principal Subject out of 50 i.e. D/24.

Thus the merit list will be based on (A+C)/2 + D/24

For the students from other universities (other than Pune University) the merit will be based on Entrance examination marks, secured out of 100 only.
