## INNOVISION 2022

Welcome to INNOVISION 2022! Fergusson College (Autonomous) in association with Enzene Biosciences Ltd. is happy to announce Innovision 2022; a state level intercollegiate competition for enterprising undergraduate and postgraduate students. The main purpose of this competition is to provide a platform for students to present their unique business ideas in front of industry experts. This year students from Commerce and Management streams can also apply and participate in this competition.

Deccan Education Society has set up a business incubator named Dr. P. C. Shejwalkar Centre for Entrepreneurship and Innovation (DSCEI) to support aspiring entrepreneurs who need mentorship, workspace and access to investors. Last year's Innovision winner team is a part of this centre now and receiving guidance from experts for executing their business idea and setting up business. Participants and winners of Innovision 2022 too, can join this facility as incubatee and accelerate their journey to become successful 'entrepreneurs' and 'job-creators'.

### Objectives of Innovision 2022:

- To identify highly motivated young innovators.
- To give the students opportunity to present their ideas in front of industry experts.
- To develop entrepreneurship through mentoring by experts from academia and industry.
- To encourage UG and PG students to consider business as a career option.
- To support potential ideas and convert them into profitable business ventures by providing guidance for IPR, market research, technology development, finances and advertising.

### Timeline:

- Registration and submission of idea in given format: **The last date is extended to February 15<sup>th</sup>, 2023**
- Presentation of shortlisted ideas and announcement of results: **Last week of February 2023 (final date will be announced after the last date of submission).**

**Note:**
