

Fergusson College (Autonomous), Pune  
**Action Taken Report**  
**(Department: Sanskrit)**

**Year: 2021-2022**

**Teaching –Learning Feedback:**

The feedback of the teachers of the department has been consistently good throughout the years. Students have mentioned the points of appreciation in the feedback given by them. One key suggestion was given by them to increase the use of ICT while teaching in the offline mode too. We, as a department worked on the topic and made changes in order to improve on it. At present, we teach Sanskrit Sandhi and some other grammatical topics with the help of a software which is easy to use and understand. Also, a collection of the E-content available in Sanskrit helped us to bridge the gap in the concerned area.

**Curriculum Feedback:**

Although students have consistently been positive about the curriculum in their feedback. They have also expressed their suggestions to include aspects of Performing Arts, Manuscriptology and Scientific Literature in Sanskrit. The Department has included aspects of Manuscriptology in the syllabus of SYBA. We do plan to conduct a lecture series or a workshop on the remaining topics.

Ankit Rawal,

**Head, Department of Sanskrit**

Head  
Sanskrit Department  
Fergusson College, Pune-4.

Dr. Ravindrasing Pardeshi  
Principal
