

Fergusson College (Autonomous), Pune

**Action Taken Report
(Department: Statistics)**

Year: 2021-2022

Sr. No.	Plan of Action	Action Taken Report
1.	Curriculum Design	The syllabus for the BSc / BA course were proposed and discussed at BoS in Statistics and was finalized. Further the Academic council of Fergusson College approved it.
2.	Regarding 2 credit SEC Courses	SEC courses were introduced at T. Y. B. Sc. which consists of use of R – Software for Statistical Data Analysis. These courses were introduced with aim that the students would get more opportunity for employability.
3.	Teaching Learning	Different methods like use of ICT & R – software hands on training, seminars and presentations, group discussions, problem solving etc. are used to enrich teaching learning process.
4.	Feedback of Alumni	As per feedback process carried by IQAC, the appreciation comments are noted and also scope for enhancement is also informed to the concerned teachers at the departmental meeting.
