- II. The Action Taken Report is as follows:

1	Implementation of learning outcome -based curriculum framework for all undergraduate and post graduate programmes, as recommended by the UGC	Implemented by orienting teachers in curriculum designing and making it LOCF based
2	Implementing Course Specific Outcomes for all academic programmes and initiate the process of developing an Outcome Based Education model.	Writing Course Specific Outcomes was also completed for all courses under all academic programmes
3	Introduction of online internal examination wherever possible.	The College conducts two internal examinations for all academic programmes (Concurrent Evaluation). Steps were taken to train teachers to undertake second internal examination-online and MCQ based. All science departments implemented this form of examination.
4	Introduction of Entrepreneurship programme at post graduate level in collaboration with Wadhvani Foundation	This was implemented in collaboration with Wadhvani Foundation, but the response was very less.
5	Implement Capability/Skill enhancement programmes for teachers and students.	Skill based training programmes for undergraduate and post graduate students were implemented under DBT STAR Scheme
6	Conduct Administrative and Academic Audit for all departments (for three years- 2016-17, 2017-18 and 2018-19).	Academic and Administrative Audit was conducted by two external peers. A detailed report on observations and recommendations was prepared by the IQAC and communicated to departments.
7	Enter into formal collaborations and MOU with NGOs and Industries, which will strengthen outreach activities of the College and pre-placement and placement activities in the campus.	Efforts were undertaken to enter into formal MoUs with the help of Legal Section of our parent organization- Deccan Education Society.
