Action Taken Report
(Department: GERMAN)

Year: 2021-2022

Teaching- Learning Feedback

- Students feedback regarding teaching is well appreciated. They are satisfied with the teaching techniques and style.
- A few areas of improvement were mentioned such as fast tempo and use of online mode of teaching. In this regard a meeting was conducted in which these issues were discussed with the concerned teachers. They have taken note of it and would bring about necessary changes.

Curriculum Feedback

- A new online value added course “Get Job Ready in German” of 60 hours` duration (4 credits) has been designed in order to cater the demand of employability. The course deals with translation skills, intercultural communication, interview skills, and soft skills.
- A new course “Introduction to translation and didactics” has been introduced to TYBA students. This would equip them with translation and teaching skills.
