

Fergusson College Pune has a great history and legacy not only in the academics but in sports as well. Fergusson GYMKHANA which was built in 1908 is one of the cornerstones of the college and reason behind all the sports success. It is a centre for all sports related activities and other physical programs. The registration, practice and planning of every tournament is conducted at this place. The sports includes both indoor and outdoor games. Gymkhana administration not only takes care of players but also has sole responsibility of maintaining the grounds and sports hall in a well condition.

Fergusson Gymkhana has given birth to many national and international players to the country who also have brought laurels and pride to the college and country as well. The Gymkhana takes special care for the holistic development of students which looks after their physical as well as mental well being. It also celebrates all the international days related to sports and physical education like yoga day for students as well as for teachers and staff. Keeping in view the fact 'a fitter nation is a better performer'; the gymkhana takes ample care in the promotion of various sports and games and encourages student's participation on various levels. The college strives to achieve medals and success at national and international level for their sports persons.

Our Role

1. Orientation for newly admitted students and create awareness about importance of sports in life and also propagate physical and mental wellbeing of a student.
