1/2/2022	2.00 pm to 5.00 pm	IV	Groups 18 to 22	https://tinyurl.com/3r7r6w7s

Guidelines for Online Practical Examination

1. Students will join the practical examination using Microsoft Teams Links as per the Timetable (Refer website for detailed timetable and links).
2. At the time of viva, the student should start the camera and Microphone by unmuting themselves.
3. In case of any connectivity issues or any technical problems, communicate it to the teachers.
4. Students are expected to upload Project documentation copy on Teams before exam starts.
5. Students are expected to present their project in group. PowerPoint presentation is mandatory.
