---

## Work Experience

- Teaching: \_\_-\_\_ years
- Research/Industrial: \_\_-\_\_ years

## Personal Profile

I'm an MSc Biotechnology from SPPU with CSIR-JRF certification in the year 2022. My interests lie in animal biotechnology, genetic engineering, cell and molecular biology. I have a keen passion for science communication, art and illustrations.

## Course(s) Taught (Only Titles)

1. Animal science
2. Molecular biology
3. Enzymology
4. Developmental biology

## Field of Specialization/Areas of Interests

- Cell biology
- Molecular biology
- Genetic engineering
- Animal cell culture

## Education

- MSc Biotechnology : 2020

Fergusson College, SPPU

- **BSc biotechnology: 2018**  
Fergusson College, SPPU

### **Fellowship/Awards/ Certifications/Achievements/Recognitions**

1. CSIR- JRF and LS- 2022
2. GATE- BT 2022
3. GATE- XL 2022
4. DBT BET- 2021
5. Certificate of merit, SPPU- 2018

### **Employment History**

- 1) **Organization : Gennova Biopharmaceuticals Ltd**  
**Role : Project Trainee**  
**Duration : 6 months**

<b>Responsibilities</b>
<ul style="list-style-type: none"><li>• Thesis project</li><li>• Data management</li></ul>

### **Participation in Conferences/Seminars/Symposia/Workshop:**

1. State Level Seminar on “Recent Advances in Stem Cells and Regenerative Medicine” (2018)
2. 7th International Conference on Molecular Signaling (ICMS)- 2019
3. National Entrepreneurship Conclave at Fergusson College (2019)

### **Additional skills/Activities**

GRE verbal training, art
